2. @KUTZBACH passed me copies of the photographs taken of the Czech courier who met GRAM in Zurich on 7 Jan. 1961. The image of GRAM was removed from the photographs before they were passed to me. @KUTZBACH asked us for any help we might be able to provide him in identifying the Czech courier. The pictures are so poor that they might be anyone and it will obviously be impossible to identify him. The personal description that came with the pictures could fit anyone.
